

Dear Drivers

Well, what an extraordinary year we have had. No Spa, Le Mans Classic and many other races and very few Challenge races. But we managed to get in three meetings and 6 races: Donington, Silverstone and to finish 2 x 30 min races at Snetterton. As I am sure you are all very aware Katy put in a huge amount of extra work to comply with all the extra regulations and papers that needed to be filed for us to race. So, a very big thank you is due to her. She even managed to provide prizes for our races. All our races were held in sunny, dry conditions, so some of the gods must have been smiling.

I would just like to thank you all for your wonderful support and welcome the new drivers who joined us this year, I hope you enjoyed it. I know that some of regular drivers were unable to join us for various reasons and I fully understand this especially in these difficult and very trying times.

It is fair to say that I was concerned when the first meeting at Donington was announced, that we might not be able to field a grid. However, I was proved wrong, we had a terrific turn out of 27 cars. Bentley Drivers produced a grid of 28 with 20 Morgans in Brian's TT race. We finished with Snetterton with 23 on the grid.

So, thank you all for supporting "your" club. We look forward to next year

Kind regards

Philip Tisdall

Chair Morgan Race Committee
